

# Taylor Community Schools Transportation Information

## Traversa Ride 360 Parent Registration

### What is Traversa Ride 360?

Taylor uses Tyler Technologies Traversa program for all its transportation services such as bus routes, trip tracking, bus schedules and staffing. The Ride 360 eLink program allows those with access to see bus route information once set up with a link to their student(s). Follow the steps below to set up your Ride 360 access.

1. Go to the Taylor Community School Corporation Web page at <http://www.taylor.k12.in.us/>
2. Hold mouse cursor over Parent heading and review pull down list and click on **Transportation**
3. Click on the Traversa Ride 360 eLink and register by entering your email and creating a password.
4. You will then receive a verification email with a link back to Ride 360.
5. Login with your email and newly created password.
6. You will now have the opportunity to link your student(s) to your account. You will need the student ID, last name and birth date (mm/dd/yyyy) to find and link your student(s).
7. You will have the option of adding more than one student. Click Done when all students have been linked.
8. By clicking on the student name, you will see information such as address, phone, and emergency contact.
9. Scroll down and you will find bus routing information. Click on the Pickup or Dropoff time to see a map showing the bus stop location.

You also have the option of sharing this link with ONE other person, maybe a grandparent or sitter. Click on My Students, then on Share Students. Select the student(s) you wish to share, then click next. You will need to know the email address of the person you want to share with. This will send an email with the Ride 360 link to your shared contact.

There is also a Message Center at Ride 360. In the Message Center you can send emails concerning changes in student information to the appropriate school office or send email to the Transportation office.

You may return to Ride 360 at any time by following steps 1-3 above or by going directly to

<https://intaylorcoms.traversaride360.com>

If you need help with setting up your Ride 360 link, call the Transportation Office at 765-453-1500 between the hours of 7:45 a.m. - 2:30 p.m.
