

# Transportation Registration Information 2020-2021

To begin the school year there is ONE pick up address and ONE drop-off address.

Exceptions may include:

- ONE Daycare which is approved and noted in the appropriate school office with ESTABLISHED days and information given to bus driver.
- ONE alternate address which is approved and noted in the appropriate school office with ESTABLISHED days and information provided to bus driver.
- All other changes are on a case by case basis which is approved and noted in the appropriate school office.

**The logic** for this regulation is that children & bus drivers work best with a regular routine so that:

- We know where the child is
- It reduces confusion with bus driver, teacher, student, and office
- Teachers are confident of bus number and ridership when taking children to their bus
- It reduces the call-ins of lost children
